

Undergraduate Students International Travel

Global Travel Registry & Health Insurance

MSU undergraduate students traveling internationally on trips that are University-affiliated, but not part of an Office for Education Abroad program, must complete a Pre-Trip Authorization Form and register their travel in the [MSU Global Travel Registry](#). Travel registration can be completed by the traveler, a fellow traveler, a faculty advisor or a departmental travel arranger.

Benefits of Registering in the MSU Global Travel Registry:

- Activates free international health, evacuation and repatriation insurance
- GeoBlue Traveler Health Insurance: Coverage for a maximum of 365 consecutive days, maximum age for coverage is 85.
- Spouses and personal travel are not covered by MSU, though a separate policy may be purchased through GeoBlue at www.geobluetravelinsurance.com
- Provides important pre-departure information
- Serves as a crisis response tool

MSU does not support undergraduate student travel to countries with U.S. Department of State Travel Warning or those [identified as high risk](#), unless a waiver is approved in advance of travel.
