**Registered Student Organization & International Travel**

**Global Travel Registry & Health Insurance**
MSU RSOs traveling internationally on trips that are University-affiliated, but not part of an Office for Education Abroad program, must complete a Pre-Trip Authorization Form and register their travel in the MSU Global Travel Registry. Travel registration can be completed by the traveler, a fellow traveler, a faculty advisor or a departmental travel arranger.

Benefits of Registering in the MSU Global Travel Registry:
- Activates free international health, evacuation and repatriation insurance
- Spouses and personal travel are not covered by MSU, though a separate policy may be purchased through GeoBlue at www.geoblueinsurance.com
- Provides important pre-departure information
- Serves as a crisis response tool

MSU does not support registered student organization travel to countries with U.S. Department of State Travel Warning or those identified as high risk, unless a waiver is approved in advance of travel. See online resource link for more details.
